

MINUTES

September 9, 2019

Board met in regular session with Thomas Shuttlesworth, Ronald Paul and Harold Smith in attendance. Minutes of previous meeting and treasurer report were approved as submitted. Also in attendance were James Drum, Larry Hoke , Marty Brennan and Attorney Kerwin.

Marty Brennan complained about the noise coming from Kopyy's Propane business located across from him. Noise is from the back-up alarms on the trucks and occurs in the very early hours of the morning. Chairman Shuttlesworth stated that the board would look into the problem.
